*"Well-structured, insightful, thought-provoking"*

*"This course has helped me guide my family more into God's word."*

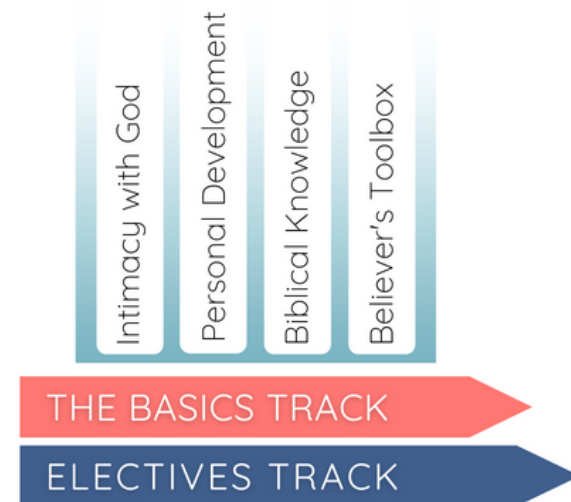

*"Built cool and meaningful connections with others at my table and in the class"*

# About the School of Ministry

The School of Ministry provides countless opportunities to grow through a mix of courses that are intentionally crafted to balance engaging teaching and practical hands on experiences.

Be equipped here to do the work Christ has called you to, and to grow in obedience to that call.
